BTM Membership

We would like to recommend that all club players have a BTM because it will be easier and more convenient for your captains. Also, your players will only require the free version, it is easy to apply and they will be able to go in the Wimbledon Ballot.

Once registered a BTM player is selectable for all seasons.

	Position	Player	Member ID		<u>Example BTM's</u>
✘	🎾	Wingent, Alex	100286774	R	LTA BTM
✘	🎾	Wingent, Alexander	700000001	R	Non-BTM

*However, it is not compulsory to become a BTM to participate in the NDLTA league programme.

Therefore, for those players who remain non-BTM's it will be necessary for your club to let us know the following either in advance or after each match: -

Their name, club and team(s) you expect them to represent and Email this information to tennisnorthdevon@gmail.com

Once a non-btm player has been registered with NDLTA that's it for the current season.
